 Defects: None Other: Unknown
 Turning Movement – HRT: Straight Other: Straight
 Point of Contact – HRT: Midway right side Cost: 5000.00
 Other: Front end Cost: _____
 Police: Newport News PD Name: CH Swenson

Employee's Comment:

I was driving bus 1906, doing the outbound 106. About 4:38 pm I was at 26th and Huntington Ave. waiting for the red light to change. I proceeded when the light turned green along 26th street towards Washington Ave. There was a black Impala traveling south on Huntington Ave that refused to stop for the red light, hitting the middle of the bus. I called dispatch and reported accident.

This certifies that this report was completed by me and all of the entries on it and information in it are true and correct to the best of my knowledge. I understand that any false statement contained herein will result in discipline up to and including discharge.
