Jim,

Please find attached the second and third email on your list. The first (from Andrew Kolp) is being exempted pursuant to 2.2-3706(F)[1], which exempts all "complaints, memoranda, correspondence, case files and reports, witness statements and evidence related to a criminal investigation or prosecution." This exemption exists in perpetuity, regardless of the status of the investigation or prosecution.

Thanks,

Sgt Spirek

Officer Conrad,

Per our conversation this morning about the letter to the editor, I am notifying Lt. King that you will provide a copy of your letter before releasing it to the media. I am also notifying him that you are requesting to meet with the chief so that you can personally notify him of your intentions. I will forward that request to him and will be waiting to receive a copy of your letter.
